

SAVEONE

After Completing SaveOne

You have just completed a life transforming journey! Prior to this class the memories of the past were perhaps, crippling, raw, grief-stricken and shame-filled. Now these memories can point us to our eternal future where we will be reunited with our children!

You have learned incredible lessons for life that can be applied in any difficult situation you find yourself in. It is our prayer you will take what you have learned over the course of this journey, and apply it continually throughout your life.

Don't let this be the end of your journey. Keep going with the following ideas:

1. Write a letter to your pastor and to Sheila Harper telling them what SaveOne has done for you.
2. Join a Bible study. You just completed 3 months of Bible study. Continue to make Bible study a priority in your life. It is imperative to your spiritual growth to always be growing in the grace and knowledge of God (2 Peter 3:18).
3. Consider supporting SaveOne financially. We are constantly expanding into new areas of the US and in other countries. Consider SaveOne Europe in your giving as well.
4. Go to saveone.org and saveoneeurope.org and sign up to receive the SaveOne newsletter.
5. Join the SaveOne Facebook page, Instagram ([saveone_1](https://www.instagram.com/saveone_1)), Twitter ([SaveOne1](https://twitter.com/SaveOne1)), and YouTube channel ([saveoneinfo](https://www.youtube.com/channel/UC...)) and share our posts often.
6. Write your testimony and be ready, willing and able to share it. Write out a 1-min version, a 5-min version, and a 10-min version of your story.
7. Contact the SaveOne office (info@saveone.org) if you would like to be considered for an upcoming Truth Teller video.
8. If there is sexual trauma in your past, continue this healing journey and join a Finding You group.
9. Complete your homework from Chapter 10 by finding the next person and encouraging them to join a SaveOne group or email for help.
10. Join the Silent No More Awareness campaign silentnomoreawareness.org
11. Complete a declaration of how your abortion hurt you at OperationOutcry.org
12. Sign the petition at themoraloutcry.com
13. Pray that God will bring others across your path who need to hear about SaveOne.
14. Pray for SaveOne.
