

## Class Approved Checklist

Thank you for wanting to join the SaveOne team! We are thrilled you have the desire to help men, women, and families who have been hurt from the aftermath of abortion. Below is a checklist to follow to make sure you have the greatest success with your SaveOne chapter. Always remember we are just a phone call or e-mail away!

- Familiarize yourself with the content of the men's, women's, and Ripple Effect Bible studies
- Meet with your pastor or ministry leader to ask for approval to teach the studies
  - In this meeting:
    - ⇒ Share your heart as to why you are drawn to abortion recovery and SaveOne
    - ⇒ Confirm training method desired, either through video or SaveOne leader on site
    - ⇒ Ask if your pastor would like any further information from the national SaveOne office
    - ⇒ Confirm start date and share promotion timeline
- Make sure your personal chapter on the SaveOne website has been updated with your start date along with any pertinent information you would like to add
- Order books from our store at [www.saveone.org](http://www.saveone.org)
- Contact your SaveOne chapter coordinator to schedule training and ask questions

We are excited you are about to take a front row seat to see some of God's greatest miracles in these men's, and women's lives. They will be eternally grateful you cared and reached out to them in the midst of their pain and brokenness.
